Dear Mr Leckey

RACHAEL FERGUSON DECEASED

I enclose for your attention a list of staff from whom I requested statements.

I also enclose for your attention statements from the following:

1. Dr. B McCord, Consultant Paediatrician.
2. Dr. Vijay Gund, Anaesthetist
3. Dr. B Trainor, Second Term SHO Paediatrics
4. Dr. C Morrison, Consultant Radiologist
5. Dr. G Nesbitt, Consultant Anaesthetist
6. Dr. J Johnstone, SHO Paediatrics
7. Sr. Miller, Ward Sister Children's Ward
8. S/N M Rice, Children's Ward
9. S/N Anne Noble, Children's Ward

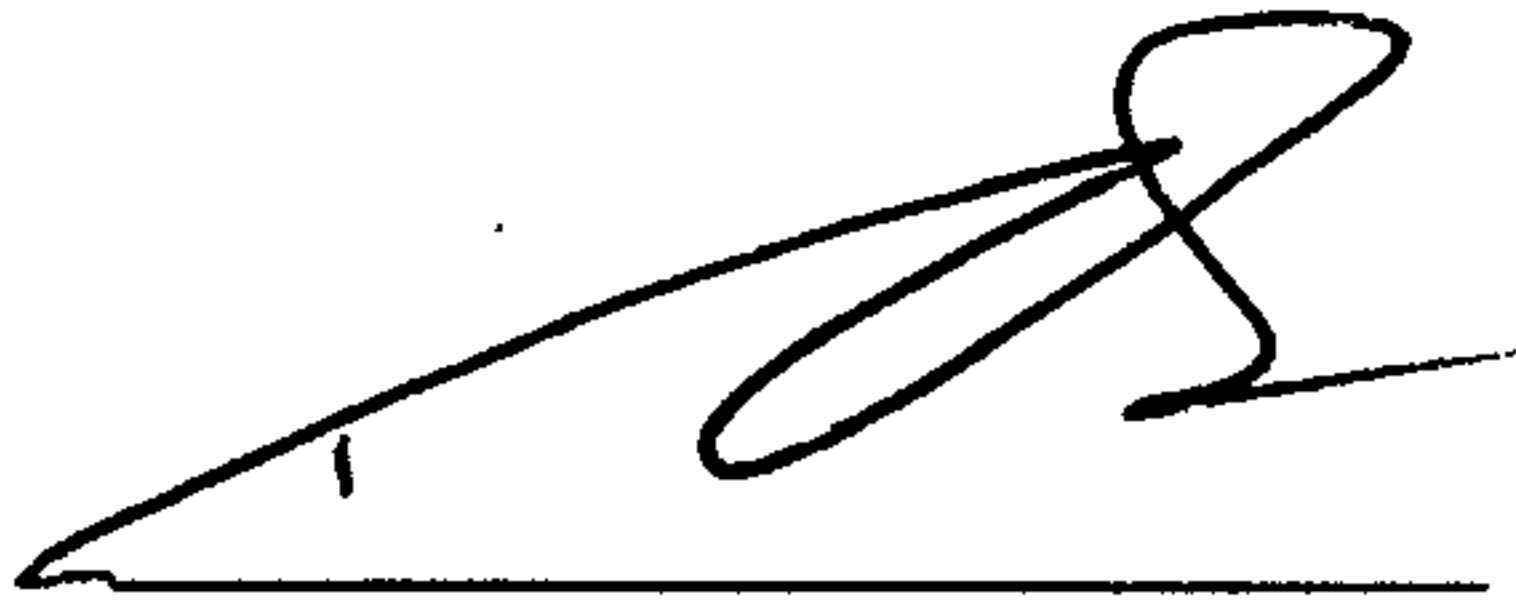

Please note that Rachael's name is spelled 'Rachael' in her Hospital Notes. I am not quite sure what the correct spelling is. Some of the Clinical Staff have spelled it differently and I have not asked them to amend the spelling as yet.

I will forward the remaining statements to you as soon as possible.

RF - ALTNAGELVIN

It now appears that there is another Clinician who I have should have asked to prepare a statement for me. Mr Zafar Surgical SHO, who is no longer employed by the Trust, saw Rachel on the ward in the morning following her operation. I will now ask him for a statement.

Yours sincerely

A handwritten signature in black ink, appearing to be 'T. Brown', written over a horizontal line.
