Dear Dr. Jamieson

RACHAEL FERGUSON

Thank you for your statement regarding the care of Rachel Ferguson.

I have forwarded a copy of your statement to the Trust's Solicitor for perusal prior to forwarding it to Mr Lecky Coroner for Greater Belfast.

I note that you do not make reference to the post entry note, which you made on 13-6-01. I think it is important that you do refer to it. Do you wish to amend your statement? I am returning a copy for your attention.

Yours sincerely

THERESE BROWN
