Sorry Colm. Something on that day that I need to attend. The 2nd Sept is our Trust Board - though I could make the morning - and the 3rd is a Regional FOI Steering Group meeting which usually ties me up most of the day.

Diary better at end of August - 20th, 25th, 26th and 27th as well as 31st workable.

Hi Colm. I agree that a meeting would be useful. Unfortunately I'm on leave from 6th - 17th September, both dates inclusive. I could, if there's no alternative, come in off leave for a meeting on 6th or 7th - I'm already coming in here for a meeting on the morning of 6th - but I fly to Paris on 8th so 8th is definitely out.

You recall that we had planned to meet in June to agree on a common approach to the handling of UTV's investigation into the Crawford and Ferguson cases. The meeting had to be cancelled because of the endoscope issue and UTV's interest tailed off probably because of the holidays. I don't think UTV has dropped the story and I expect them to return to it in September. Therefore, I think it would be useful to have a meeting to refresh where we are with this issue and to agree on our approach to handling further requests from UTV.

Would you be available to come to a meeting in Castle Buildings on Wednesday 8th September at 2.30.

Colm
