Dear Marie,

I am a producer with UTV's Insight programme and am working with Trevor Birney on a new programme examining fluid-related deaths in hospitals in Northern Ireland. I believe Trevor was in contact with you before the summer on the subject.

As you know, Dr Murray Quinn, consultant paediatrician at Altnagelvin, produced a report on the death of Lucy Crawford for Sperrin and Lakeland Trust. We shall be making reference to his report and would, therefore, be grateful if you could provide a photograph of Dr Quinn which we could use in that context.

I can be contacted by return e-mail, or feel free to contact me on my direct line: [REDACTED] or my mobile: [REDACTED]

Yours,

Ruth O'Reilly
