I don't think it'll be that soon, Marie. But I'll let you know as soon as I do.

Ruth

No problem Ruth. Any chance the transmission would be in the next 2 weeks? I'm going on leave from this Friday until 17th September and would want to make sure whoever will be looking after any queries you might have during that time is fully briefed.

Marie

Dear Marie,

Many thanks for your speedy response. I'm afraid we don't have a transmission date yet. I shall let you know as soon as we have one.

All the best,

Ruth

Hello Ruth. I think I would probably need Dr Quinn's consent to release a photograph of him but as it happens, I don't have one.

Do you have a date for the broadcast?

Marie

Dear Marie,

I am a producer with UTV's Insight programme and am working with Trevor Birney on a new programme examining fluid-related deaths in hospitals in Northern Ireland. I believe Trevor was in contact with you before the summer on the subject.

As you know, Dr Murray Quinn, consultant paediatrician at Altnagelvin produced a report on the death of Lucy Crawford for Sperrin and Lakeland Trust. We shall be making reference to his report and would, therefore, be grateful if you could provide a photograph of Dr Quinn which we could use in that context.

I can be contacted by return e-mail, or feel free to contact me on my direct line: (028) [REDACTED] or my mobile: [REDACTED]

Yours,

Ruth O'Reilly
