Colm - Just to double-check - 10am or 10.30am tomorrow? Also Stella asked me to put some pressure on to get the CMO to clear - or otherwise - our last statement.

Dear Marie,

I am a producer with UTV's Insight programme and am working with Trevor Birney on a new programme examining fluid-related deaths in hospitals in Northern Ireland. I believe Trevor was in contact with you before the summer on the subject.

As you know, Dr Murray Quinn, consultant paediatrician at Altnagelvin produced a report on the death of Lucy Crawford for Sperrin and Lakeland Trust. We shall be making reference to his report and would, therefore, be grateful if you could provide a photograph of Dr Quinn which we could use in that context.

I can be contacted by return e-mail, or feel free to contact my on my direct line: (028) [ ] or my mobile: [ ]

Yours,

Ruth O'Reilly
