PRESS STATEMENT TO UTV

The Trust deeply regret the death of Lucy Crawford and would wish again to express their heartfelt apologies to her family.

We would wish to assure the people of our local community that the systems which contributed to Lucy's death in April 2000 have been changed and improved.

In view of the ongoing examination by the General Medical Council and the ongoing detailed review of the Trust's handling of Lucy's death, we feel it would be inappropriate for the Trust to comment further at this time.
