Clare,

Below is the question for the CMO as discussed.

As the Department is aware, we are currently working on an Insight programme examining the death of Lucy Crawford. We intend broadcasting it within the next few weeks.

In the meantime, you can contact me at [REDACTED] if you have any queries.

Question for Dr. Henrietta Campbell:

1. Was the Hyponatraemia Working Group, set up in June 2001, in any way related to the death of Lucy Crawford?

I would appreciate a reply at your earliest convenience.

Best wishes,
Trevor.
