Dear Hugh

As discussed by telephone, and having now received the letter from John Leckey, I would suggest that we meet on Friday, 27 February at 2.30 pm in my office. I will ask Ian Carson and Noel McCann to join me and would ask you to bring any colleagues who might usefully add to the discussion. We have had a query from BBC Newsline asking if I "still stand by the findings of the independent inquiry". It would be helpful therefore if you would furnish me with a copy of that report.

Regards.

Etta Campbell
