Dear Mr Millar

Re: Lucy Crawford deceased

I am in receipt of a letter from Mr Neville Crawford. Can I ask, is it possible that in your role as advocate for the Crawford family, whether you feel there is an opportunity to further encourage Mr and Mrs Crawford to avail of the suggested meeting. It would be helpful if you could contact myself or Eugene to discuss whether you feel there is an opportunity to convince Mr and Mrs Crawford of the value of the meeting as proposed.

In the meantime, I have shared Mr Crawford's letter with Mr Fee and Dr Kelly.

I am conscious of the delay to date in this matter and would be anxious that we could come to a fairly quick conclusion in respect of the particular approach suggested.
