Dear Mr Fee

RE: Lucy Crawford – Daily Fluid Balance Chart – Dated 12/4/00

I refer to the above document and confirm that the entries made for 1.00a.m;
2.00a.m and 3.00a.m were completed by myself.

The amounts of fluid as noted to the left of each box give a complete and
accurate record of all intravenous fluid dispensed during that period.
However I do note that the running total as indicated to the right of each box
has not been tallied correctly.

If I can be of further assistance please feel free to contact me

Yours Sincerely

Thecla Jones
