

Meeting Dr. Anderson, E. Millar + Dr. Kelly

Seminar Room MRUE – Friday 09.11.01 – 4.15 pm

Dr. Kelly outlined progress with issues relating to Dr. O'Donohoe

- 1) Health issue as raised by Dr. Halahakoon and others requires to be formally addressed. Referral to Occupational Health has taken place.
- 2) Discussion on processes had taken place with CSA – officer. Mr. Alphie Mc Guinness.
- 3) Outlined possible scenarios after health check.
- 4) Emphasised the requirement for a formal directorate look at the cases raised by Dr. Ashgar. E. Millar and Mr Anderson to action.
- 5) Asked for update on Adverse incident discussions.

All present agreed that formal internal review should follow even in the case already discussed by the Directorate Adverse Incident reporting mechanism.

Consideration as to external opinion on cases would be take place on receipt og reports.

Meeting finished at 5.30 pm
