

Maura Burne
Attnaghlun - 9/6.

TB rang AT 2 wks ago
- then nothing til today.

Asked if Dr Quinn acting
independently or on behalf of
AT Trust. - No, independent.

TB → suspicious of this. Trust
trying to distance themselves
- Rpt on Trust headed newspaper.
- any evidence Dr Q independent
- any action taken by AT re
responding on Trust newspaper.

TB - request for interview with
Dr Nesbitt (cons areas. at time
of F. death, now med. director)
- originally asked to interview SB.

TB also asked re coroners letter
19/2/04 + AT response to this.

Have asked focus of TV prog
- hyponatraemia
- F. case - badly treated by
AT - evidence this was so
- gathering research - various
avenues.

SB considering request for interview
with Dr Nesbitt. - (Dr Shannon's
advice is no, will be dragged
into other issues.

Have attending Mon meet.
SB wanted Hh to know
above contact.

Q to RVH
Dr Maura
Stewart.

TB UTV.

~~investigation~~

- her role in
formal complaint
levelled against

Dr O'Donoghue.

+ her investigation
of this.

- let Hh + Dr C.
know of this.
