Dear Janet,

Attached are the tracked changes to the Press Release.

On a more general note, I think there was an opportunity with the Press Release to perhaps be more open about engagement of staff and being a learning organisation.

Do the family know that they are mentioned in the Press Release? In light of their not wishing to be involved at this stage I'm not sure it is helpful to challenge them in the public domain.

Do come back to me if you require anything further

Regards
Anne
