Ms B O'Rawe, Complaints Manager
Sperrin Lakeland Health and Social Care Trust
Strathdene House
Tyrone and Fermanagh Hospital
OMAGH BT79 0NS

Dear Ms O'Rawe

My wife and I have carefully considered your proposal to Mr Millar to arrange a meeting to share the Trust's response to our formal complaint submitted on 22 September 2000.

We prefer to follow the Complaints Procedure and expect to receive the Trust's formal response prior to any discussion. In doing so we will be able to make a meaningful contribution to any discussion rather than going into a meeting 'cold'.

On receipt of your response we will give Mr Millar instructions regarding the setting up of a meeting.

Yours sincerely

Neville Crawford
