I have been on annual leave most of August. I have reports from the two consultants involved. Kevin Doherty was to get reports from Junior Doctor Involved. (no longer with this trust). Nurses have met and discussed issues with their unions. I expect to have all the4 nursing reports before end on this week.

Thanks Jenny

I will try to locate Dr Malik and follow up on his report. I would be grateful if you could forward me a copy of Dr O'Donohue and Dr Autersons report, and reports from the nursing staff once they have been received.

Thank you.
Lisa.
