

DIALYSIS CLINIC

U.N. 364377

14th April, 1994

Dr. Mark Dalzell
Senior Registrar
Musgrave Ward
RBHSC

Dear Mark,

RE: ADAM STRAIN [REDACTED]

Adam Strain's button seems to be slightly leaking and as a result he is getting a lot of excoriation around his skin. His mum was actually saying she was happier when he had the tube and I wondered if it can be changed back to the tube without a G.A. I assume it cannot.

I am just writing this letter so I do not forget to ask you.

Yours sincerely,

MAURICE SAVAGE
Consultant Paediatric Nephrologist
