Dr M Savage
Consultant Nephrologist
R.B.H.S.C.

Dear Dr Savage

Re: Adam Strain [REDACTED]
D.O.B. 04/08/91 U.N. 364377

As decided at the Dialysis clinic Adam's feeds have been changed to the following:-

1200 ml Nutrison Paediatric (1kcal/ml)
40g Maxijul
40g Calogen
100ml Saline
made up to 1700 ml with water.

This provides 32g Protein 1.8g Protein/Kg
(recommended 2 - 3g/Kg)
1540 kcal 85 kcal/kg
(recommended 1520 kcal)

Yours sincerely

Janet
