FOR THE URGENT ATTENTION OF

Dr. R. H. Taylor

Dr. M. Savage

Dr. J. Gaston

ADAM STRAIN DECEASED

Attached is a copy of a lengthy fax recently received from George Brangan which raises several queries and requirements which are urgent and need attention and response as soon as possible.

I will ask Rosemary Rowe to make the administrative arrangements for the next meeting which will need Regulatory to take place in the middle of next week. Perhaps at that time it would be possible for Bob to take the two Georges over to the RBTSC O.T. to view the monitoring equipment and associated tubings etc.
