recently on several occasions

The Coroner has spoken to me about this very
unfortunate clinical outcome and has now written
requesting that I obtain for him "as soon as possible"
statements from the clinicians involved.

Additionally he has:

1. Requested a ^{detailed} statement from the anaesthetic technical
staff about the equipment used during the surgery and
anaesthesia. This has been arranged
2. Referred the matter to the Health and Safety Inspector
for a review of our anaesthetic systems. This will
be facilitated through this office

In order that you may prepare ^{the} requested report
I am sending with this letter an ^{extract} copy of the recent
casenotes. ~~which~~ I have to send the original of Volume 10
to Dr. John Alexander, Consultant Anaesthetist who has been
retained by the Coroner to ~~be~~ an independent ~~medical~~
expert
