Dear J. P.

Re: Lucy Crawford (deceased) DOB: 05/11/98

Thank you for your letter of 28th April 2003. I have ascertained that Dr O'Hara is unlikely to return to work before June 2003 [REDACTED]

[REDACTED] In view of this uncertainty I have asked Dr Thornton to pick up the case at your request.

I will circulate Dr Sumner's report to Drs Hanrahan and Crean as requested.

Yours sincerely
