We have received a request from Her Majesty's Coroner, for provision of statements in relation to the above patient, as this may become a Coroner's Inquest Hearing in due course. I should be grateful if you would provide a draft statement, outlining your part in the care of Lucy Crawford during her period of care in the intensive care unit in April 2000.

Your statement should commence with "I am a registered medical practitioner/ registrar/consultant, etc". Please also specify when and where you qualified, together with a list of your qualifications.

This will be a legally significant statement and you may wish to consult your professional body or legal adviser before submitting your draft to this office. A booklet explaining the function of the Coroner's office is available from the Litigation Management Office.

Thank you for your assistance in this matter.
