

**PAEDIATRIC INTENSIVE CARE UNIT
ROYAL BELFAST HOSPITAL FOR SICK CHILDREN**

MEMORANDUM

FROM: Dr P M Crean
Consultant Paediatric Anaesthetist
R B H S C

TO: A P Walby
Associate Medical Director
Litigation Management Office
RVH

REF: A.51/2001/112/OL

DATE: 22 September 2004

RE: RACHEL FERGUSON (DECEASED)

I would be happy to use my initial statement for the Coroner without the additions he added at the Inquest. These additions related to discussions which took place during the inquest and my interpretation of certain facts.

I do not feel that we are vulnerable in relation to this claim. Rebecca sustained a massive brain injury at another Hospital and the situation was irretrievable when she was admitted to RBHSC.

Dr Peter Crean
Consultant Paediatric Anaesthetist
