To Chairman

Please see below in response to your letter. I have requested Mr Frank Curran, Acting Information Services Manager, to act as the lead in securing the said medical records etc and to link with nomination in Corporate Affairs (and Womens and Childrens Directorate as necessary) to identify, secure and create an inventory of all such records, including medical and legal records, held within a safe storage for future reference. Trust this meets with your requirement.

Acting Director of Planning Commissioning and Information services

Frank note attached

I am nominating you as the lead person to link closely with Corporate Affairs to secure all the relevant notes/records in relation

to this case whilst Corporate Affairs will no doubt secure the legal, complaints etc files. We need you to link with Corporate Affairs to ensure we have one co-ordinated secure retainer of the records as required by the correspondence. You will also need to link with Women & Childrens Directorate to identify and secure the notes etc.

Thank you

Please keep me informed.

Briege
