I am writing to advise that I will in contact with your offices shortly in order to co-ordinate a meeting (with Mr Hugh Mills, Chief Executive) to examine the outcome of the Lucy Crawford inquest.

This meeting will determine the best approach to set up the examination and identify the key participants involved.

Kind wishes

I will speak to Mr Mills re the 12.30 meeting in Derry - he is also involved in the 4.30 interview with Mr Fee - if necessary I will speak to Sharon about pushing it back to 5pm to commence. Please hold meantime - I have to wait until tomorrow for Donna Scott to advise me of her availability also.

Will they be back from the 12 noon meeting in Derry by 2.30? I have a meeting at 4.30pm that I cannot re-arrange as this is an interview. If they are back from Derry then I can give you 2.30pm/3pm to 4.30pm in Omagh and I will re-arrange the other meeting in the pm. Pl advise
