**Subject:** CSA LEGAL DIRECTORATE - LC CASE FILES

**Importance:** High  
**Sensitivity:** Confidential

I spoke to Mr Neill Magowan in the Permanent Secretary's Office in relation to the steps the Trust should be taking to secure the above files.

After taking advice, Mr Magowan advises that it is sufficient at this point to write to Mr Gowdy informing him of additional sources of information. It will be the responsibility of the Inquiry Team to decide if they wish to have access to these files and whether they would like them held by CSA or the Trust.

I think it should also be noted in the letter that Westcare Occupational Health also holds records in respect of a member of medical staff at the Erne involved in the case.

I will draft a letter for Mr Mullan's consideration.
