Separately, re the lc case, you will have seen note of meeting, i have been progressing with AnneO'b and briefing chair with hugh. Plan is for chair to appraise cscg cmmtte at may meetign of the rca exercse,tor etc...not for approval to inform only. It would be helpful if you could developement the list of individuals and groups,as agreed,that we will need to involve from your end in the rca process. many thanks bridget
