26 March 2002

Dear Colleague

PREVENTION OF HYPONATRAEMIA IN CHILDREN

Further to my letter of 25 March please find attached posters on the Prevention of Hyponatraemia in Children.

I would appreciate if you could ensure that these posters are disseminated within your Trust to all wards likely to accommodate children. It is important that they are prominently displayed in clinical rooms.

Thank you for your cooperation in this matter.

Yours sincerely

Dear Colleague

The Management of Hyponatraemia in Adults

I enclose copies of the CREST guidelines on the Management of Hyponatraemia in Adults and covering letters for circulation to specific doctors. Could I ask you to ensure that all doctors named in the enclosed letters, receive a copy of the 2 wall-charts and booklet.

Thank you.

Yours sincerely

DR DAVID GT STEWART
Chairman of CREST
