Dear Dr McCarthy

**Prevention and Management of Hyponatraemia**

Thank you for your letter, dated November 2004, addressed to Miss Boyd, Chief Executive. I apologise that a response was not forwarded to the original correspondence, earlier during the year.

I can confirm that the guidance on prevention and management of hyponatraemia, for both children and adults, which was issued by Crest, has been incorporated into clinical practice within Green Park Trust.

Yours sincerely

**DR DENIS CONNOLLY**
