Dear Clive

The Issue: 11.00pm 25 March 2004

When I wrote to you on 3 June 2004 about a response to your letter of 13 May 2004, I advised you that we were planning to broadcast another programme on the children's deaths, and that after its transmission I would reply to the points your letter raised.

Taking into account what has happened since the second programme's transmission, I hope we can agree to suspend any further correspondence on the matter.

Yours sincerely

Alan Bremner
 Director of Television
