PRINT NAME IN CAPS

I am a Biomedical Scientist at the State Pathologist's Department, Belfast. I am giving to D/Sergeant Cross the following items: 8 x lung, 3 x liver, 2 x kidney, 1 x spleen, 1 x gland, 1 x trachea, 15 x brain, 3 x spinal cord tissue blocks. These are contained in four white boxes, all of which D/Sergeant Cross has marked WRC12. Each box and each tissue block is marked with the reference F42728. From records held at the laboratory I can confirm that these blocks therefore refer to tissues taken from Adam Strain, whose post-mortem was conducted by Doctor Alison Armour on 29 November 1995.
