Dear Dr Burton

Thank you for your letter of 26 July 2005. The Trust's intent has been and will continue to be to act in the spirit of the FOI Legislation. Equally the Trust has a duty not to release information which under other legislation may be unlawful. Emergent good practice and experience in dealing with the new legislation should and will inform Trust decisions.

I will, as you have suggested, share the outcome of my discussions, not only with Bronagh Dalzell but also with my other FOI colleagues in the Eastern Board Area.

Thank you for pointing out the error in the attachment to the Trust's letter dated 25 July 2005. A correct version is attached. Trust records have also been amended.

Yours sincerely
