Dear Sir/Madam,

**RE : Attempt to locate Professor Peter Jeremy Berry**

Further to my telephone conversation with a member of staff in your personnel department on this date, as explained the Police Service of Northern Ireland are attempting to locate a person who was a member of your staff in 1996, the details are as follows :

**Professor Peter Jeremy Berry,**

**Professor of Pediatric Pathology**

**University of Bristol**

Professor Berry provided a written statement of evidence to the Coroner for Northern Ireland, Mr Leckey in 1996 regarding the death of Adam Strain.

I would be most grateful if you could confirm for me whether Professor Berry is still on your staff and if so provide contact details for him, if not any information which you could furnish to assist in locating him would be most gratefully received.

Your earliest attention in this matter would be appreciated.

Yours sincerely,
