PRINT NAME IN CAPS

I am a Specialist Registrar in Anaesthesia and Intensive Care at the Royal Group of Hospitals. I have the following qualifications MB, BCH, BAO, FFARCSI. On the 9<sup>th</sup> June 2001 I was a Senior House Officer in Anaesthetics at Altnagelvin Hospital. I have been asked by D/Constable Monaghan if I remember my involvement in the care of Raychel Ferguson on that date. I can state that I do not have a clear recollection of events. I do remember that I was bleeped by Doctor Date to attend at the bedside of Raychel Ferguson. I assisted in her intubation and ventilation; by that I mean I assisted Doctor Date in her role by passing her any necessary equipment. I accompanied Raychel Ferguson on her transfer to the CT scanner and Intensive Care Unit. I do not recall if Doctor Date was called away at any stage during the transfer of the patient. I remained with the patient during the CT scan and then accompanied her to the Intensive Care Unit at Altnagelvin where my involvement with Raychel Ferguson ceased. I have looked at Raychel's hospital notes and there are no entries written by or signed by myself.

Certified to be a true copy of an original signed document.
