Dear Mr Leckey,

**Re: Rachel Ferguson, deceased**

Thank you for asking me to be involved in this sad case, which I am prepared to do.  
Do you want me to prepare a report to be used in the Court? I will need to see the notes.

I do, of course, remember vividly my last trip to Belfast as it was the single most nerve-wracking day of my life so far!

Kindest regards

Yours sincerely
