*Dear Dr. Sumner,*

**RACHEL FERGUSON, DECEASED**

Yet again I have been placed in a position where I am forced to adjourn the inquest. The family of Rachel have been experiencing problems in obtaining legal representation and have now instructed a third firm of solicitors. Because of that I have been asked to adjourn the inquest for 6-8 weeks.

I really am sorry that you are being inconvenienced so much. If the cancellation of travel and hotel accommodation results in any loss please let me know (with vouchers) and I will arrange for you to be reimbursed. I am thinking of listing the inquest again for the week commencing Monday 20<sup>th</sup> January 2003. Would this be suitable for you? I understand that the hospital may be seeking an independent expert opinion. If they do I will let you have a copy in advance of the inquest hearing.

Once again my sincere regrets.

Yours sincerely

*J L Leckey*
