REFERENCE: Inquiry into death of Raychel Ferguson

Dear Sir :

With above reference, I am enclosing my statement as a witness with minor modifications after seeking advise; which unfortunately took some time to come through from AAH. I hope you will find it to your satisfaction. However if you need any clarification OR new typed out statement, I can send you the same either on my letter head or statement of witness paper as per your advise. Please confirm the receipt of this by return post.

Thanking you.

Faithfully,

Mr. NK. BHALLA
