Re: Raychel Ferguson Investigation

I refer to the legal proceedings commenced by yourself on behalf of the Ferguson family. The timing and future pursuit of the proceedings is a matter for yourself, but I would ask you to consider delaying active steps in the proceedings pending the outstanding police investigation. This is to avoid any possible compromise of the said investigation.

Yours sincerely

Dear Madam

Re: Raychel Ferguson Investigation

Thank you for your letter of the 4th February 2006. We appreciate the position.

Our clients would be obliged if you could do all that you can to get a formal response as we are merely complying with a request from Police not to progress the litigation for obvious reasons.

We would like the request to be formalised by letter to show to the solicitors for the Defendants as it seems to us and our clients that it will be quite some time before the criminal process is concluded.

Yours faithfully

Desmond J. Doherty
