Therese,

Can you please confirm the following:

1. Is it possible to have a transcript of your notes on 022-002-004? I am happy if you read them out to me so I can annotate where I cannot make it out.
2. Who wrote 022-002-007 as the writing is different to the previous pages?
3. Who wrote 022-099-310?

Also, if you can forward any contact details for any of the people we wish to interview, other than those still employed by the Trust, I could make a start in contacting them.

It helps I can be contacted by fax at [REDACTED].

I will ring your office tomorrow re collecting the statements to the Inquiry.

Billy
