Therese,

Thanks for your reply.

I can send someone to call for the statements to the Inquiry this afternoon if it suits. I have spoken to your office, know you are at a meeting and I will ring after 1200 hrs.

Also if you prefer to give the numbers in hard-copy to the person who calls for the notes then that is OK.

I'm sending you back the transcript of my attempt to write at speed what the coroner is saying.

I am checking who wrote at 022-002-07 and 022099 -310 I think I know who it is but I need to confirm.

Will get you the numbers tomorrow.

Therese,

Can you please confirm the following:

- 1 Is it possible to have a transcript of your notes on 022-002-004? I am happy if I read them out to me so I can annotate where I cannot make it out.
2. Who wrote 022-002-007 as the writing is different to the previous pages?
3. Who wrote 022-099-310?

Also, if you can forward any contact details for any of the people we wish to interview, other than those still employed by the Trust, I could make a start in contacting them.

If it helps I can be contacted by fax at [REDACTED].

I will ring your office tomorrow re collecting the statements to the Inquiry.

Billy
