Dr Johnston,

Thank you for contacting me by telephone on 23/1/06.

I have been directed if possible to arrange to interview and am aware that your professional commitments impose time constraints on such interviews. Can I ask you to confirm to me by email what dates and times suit you for interview and whether on any of those dates you will be in Northern Ireland. I expect that the interview will require about 2 hours.

If you wish to speak to me about this try [REDACTED]
