CLINIC 10.10.91

17th October 1991

Dr. McMillen,  
220 Knock Road,  
BELFAST

Dear Dr. McMillen,

re; Claire Roberts, [REDACTED]

Claire's anti-convulsant medication was increased on the 26th June 1991 to 7.5 mls of Epilim twice daily, that is 300 mgs twice daily, and her Serum Valporic level is now satisfactory at 90.8 mgs per litre.

Yours sincerely,

Dr. J. Major,  
Associate Specialist in  
Paediatric Medicine
