Re: **Lucy Crawford (deceased)** DOB: 05/11/98

In April 2000 I was the paediatric SHO in ICU, Royal Belfast Hospital for Sick Children. My qualifications are MB BCh DCH and MRCPCH. I qualified in 1998 in University College, Dublin.

My contact with Lucy Crawford is as I have written in her hospital notes. The information I recorded I received from the transferring team, a transfer letter and her parents.

Detective Inspector Cross has asked me has any person attempted to influence me in any aspect regarding Lucy Crawford. My answer to this question is no. I have no recollection of speaking to Dr O'Donohoe from the Erne, at this time, and would only recognise him from the TV.
