PRINT NAME IN CAPS

I have already made a statement to D/Sergeant Cross. In discussing it with him I have referred to the post-mortem report in the notes of the Royal Belfast Hospital for Sick Children. I can confirm that in writing the death certificate, having consulted my colleagues I was also guided by the Provisional Anatomical Summary as recorded on a page signed and dated 17 April 2000 and numbered 1-5. D/Sergeant Cross has asked me if any member of Sperrin Lakeland Trust, or any other person has contacted me in an attempt to influence my opinion regarding the death of Lucy Crawford. I can state no one has done this.
