Subject: Email from Mr A P Walby re Claire Roberts

Michael

I attach the letter from Mr. Leckey which referred to Ian Carson. Although the letter is about Claire Roberts, and Drs. Maconochie and Bingham provided reports for him on the case, I cannot be sure in what terms Mr Leckey wrote to Ian. It might just have been to refer him to the article <http://www.pediatrics.org/cgi/content/full/113/5/1279> but I would have thought that he would have been advising Ian of the background reason for him receiving the article. Maybe this will nudge Ian's memory.
