Dear Peter,

CLAIRE ROBERTS, DECEASED

I am enclosing a copy of the report of Dr Maconochie. Apparently it was sent to me in July but it was never received in my office.

I have sent a copy to Dr Bingham and asked him whether he wishes to add in any way to his original report. If he does I will provide you with a copy.

No doubt you will circulate this report amongst the staff involved. Do any of them wish to comment on it? If they do wish to comment it would be most helpful to receive a written note of their views.

With kind regards.

Yours sincerely

J L LECKEY
HM CORONER FOR GREATER BELFAST
