Dear *John*

Re: Claire Roberts (deceased)

I enclose Dr Webb's witness statement and I would not have thought I need to obtain any further statements unless you request me to at this stage.

Dr Steen, Dr Sands and Dr Webb detail the clinical picture, but if you decide you wish to hold an Inquest, I may need to trace nurses and junior doctors as well. I am not going to do this until it becomes necessary.

I hope you are content with this approach.

Yours sincerely

P. Walby
