- Rang Dr Webb's office to see if they could email statement up (as it is 21 pages long).
- His secretary has said that they are not allowed to send emails with patient details (even though I printed out Claire was our patient).
- I asked could she check with Dr Webb - but he is on leave until 10/7/05
- I will ring him then.

14/7/05 - rang Dr Webb - no answer - to ring @ 10.10am. back tomorrow.
