I reported this child's death to H M Coroner on 16<sup>th</sup> December 2004 and it seems likely that he will investigate the death which may become a Coroner's Inquest Hearing in due course. I should be grateful if you would provide a draft statement, outlining your analysis of the situation which led to discussion of the child's death with the parents.

Your statement should commence with "I am a registered medical practitioner/ registrar/consultant, etc". Please also specify when and where you qualified, together with a list of your qualifications. When forwarding your statement, it would be helpful if you could email it to [REDACTED].

This will be a legally significant statement and you may wish to consult your professional body or legal adviser before submitting your draft to this office. A booklet explaining the function of the Coroner's office is available from the Litigation Management Office.

Thank you for your assistance in this matter.
