*Heather*  
While awaiting your statement, H M Coroner has now advised that he will be obtaining an independent report from Dr Robert Bingham who is a Consultant Anaesthetist in Great Ormond Street Hospital, a past President of the Resuscitation Council and is an expert on fluid management in children. He will liaise with a Paediatrician colleague if he feels the need for such input.

Mr Leckey will let us have a copy of the report as it becomes available.

*Peter*
